***2:45 – 3:25 Review and discuss projects:***

**Discussion of the Home Sharing project** -- After reading Geri's notes for article which had some great ideas and language I began to think we need to have a lot more discussion to be able to focus on what it is we think we can do and how to get there, how to draw more people into working on project, flushing out what we hope to accomplish and how to go about it more and more and more. It is much more complex than the ADU project I am realizing-
